

Social Media Release Form 2025-2026 School Year

Dear Parents/Guardians,

Tri-State Christian Academy has a private Facebook page, Tri-State Christian (PA) Family Group, a public Instagram Account at tcaknights750, and a public Facebook page at Tri-State Christian. Our private Facebook page aims to allow families a glimpse into their student's school day and to keep you informed on important dates.

TCA understands that circumstances might prohibit students from being included on the private page. To the best of our ability, we will avoid including the said students. Students who are not permitted on the private page will be removed from the activity that is being posted.

The public social media pages are used to promote Tri-State Christian Academy and are separate from the private page. TCA will not post live events or private information that would endanger students. Please complete this form and return it to TCA at orientation. Please complete one form for each student.
