

Tri-State Academy Admission Policies 2023-2024

At Tri-State Christian Academy, your child's needs for Christian schooling and academic education will be met with guidance and excellence. Tuition costs are understandably a factor in choosing the best school for your child. Tri-State Christian Academy is surprisingly affordable with achievable tuition available to nearly every family through partial scholarships and tuition discounts. More than 95% of our families receive some type of discount.

Early enrollment is strongly advised as our class sizes are limited. Completed Enrollment Applications and Student Spiritual Evaluations will be reviewed by our Admissions Office to determine acceptance for enrollment.

If your child is accepted to Tri-State Christian Academy you may pay the tuition in full or schedule a meeting with our Finance Department to determine any tuition discounts or partial scholarships available to you and if necessary set up monthly payment arrangements. ***A copy of your prior year's income tax return is required in order to receive tuition discounts or scholarships.***

Blanket Medical Release

In case of an accident or serious illness, I request that Tri-State Christian Academy (TCA) contact me. In the event that I cannot be contacted or if the situation demands immediate attention, I give permission to TCA personnel to administer first aid. Also, I authorize the school to arrange for this student to be transported to the closest emergency room by ambulance if necessary at my expense. I authorize medical personnel to perform the necessary care. Once admitted to the emergency room, I give permission for the necessary medical/surgery care.

This will be a blanket permit covering any and all outings, field trips, and events which my child(ren) may attend during their time enrolled at TCA. My signature also serves to indicate my willingness to take full medical responsibilities for the student(s) and to release Tri-State Christian Academy from this liability.

Medication

No medication may be brought to TCA or given without written permission from the custodial parent or guardian. Any medication brought to TCA must be immediately taken to the office upon entering the school building and kept in its original labeled container. If medication is to be given on an extended basis, written permission from the family doctor and/or the custodial parent must accompany the medication.

If a student has a need for over-the-counter medication (e.g., Tylenol, Benadryl, cough drops, etc.) he/she must bring a note from the parent, including instructions for dosage or in the original package. The note will remain in the office with the medication.

I, _____, understand TCA will call or text with requests to give my student any medication.
